Description:	Consulting Service for Long-Term Sludge Management Plan and Feasibility Study of Sludge Landfilling and Processing
Signature of Contract:	June 10, 2024
Contractor's Name:	Hazen and Sawyer (USA)
Contract Amount:	565,607.00 US Dollars excluding VAT
Duration of the Services:	12 (Twelve) Months from Commencement of Services of July 31, 2024
Summary of Scope of Contract:	Develop a feasibility study for a long-term sludge management of Ulaanbaatar city in a hierarchical manner, including i) constructing a sludge drying facility, ii) using non-hazardous sludge as a natural fertilizer, and iii) permanent landfill/disposal of sludge containing hazardous substances. As a final result of this assignment, a clear sludge management roadmap for Ulaanbaatar city, in an economically and environmentally sound manner, is expected to be developed for the next 25 years at a minimum.
